the Municipalities may be asked to submit
their proposals for the relief measures
as a duty has been cast upon them
to make reasonable provision for the
same. But there is no corresponding
section in the L.B. Regulation, Section
8.2 of that Regulation does not contemplate
provisions making -

|| In my opinion, the policy of the
Govt will be to make of provisions
which require maintenance. I do not
think that the G.O. dated 12th March 19

Copy of letter No. R.H.C.315 dated 17th July 1919 from
The Deputy Commissioner, Kolar District to the Food Controller
and Director of Civil Supplies in Mysore.

In continuation of my letter No. H.C. 315/18-19 dated
the 11th instant, regarding the grant of gratuitous relief
to the destitute, I have the honour to forward another list
of 21 persons pertaining to the Malur town. The list sub-
mitted by the local authorities was scrutinized by me at
Malur on the 8th instant. Of the persons mentioned in the
list one had died. Eight were removed from the list as not
deserving of gratuitous relief. Further enquiries were
ordered in respect of two. In the case of the remaining 21
it was found necessary to grant gratuitous relief immediately
as they were found incapable of doing any work and private
charity in these days of high prices could not be enlisted
I have ordered the distribution of grain at the rate of half
a seer per day per individual to the aforesaid 21 persons from
the 8th instant. I am afraid that without such relief the
consequences might be serious. I request approval of Govern-
ment might kindly be obtained for the gratuitous relief ordered.
